**SPONSORSHIP & ADVERTISING OPPORTUNITIES**

We have built our reputation on creating great events for true automotive enthusiasts – these are your customers and we know them well. Contact our sales department to find out what we can do for your business.

CARLISLE IMPORT-KIT/REPLICAR NATIONALS  
Presented by:

At this event, you might notice that in the Kit Car areas, you'll see dozens of replicas and limited-production originals. But the car you will see most of often is the one that is responsible for more than 60 percent of new kit car sales in America, the Cobra. The Cobra, in its 289 and 427 forms, is re-created and sold by about four-dozen US companies and close to 75 worldwide firms. While fewer than 1,500 original Cobras of all types were produced in the U.S. and U.K. between 1962 and 1967, more than 2,000 are sold every year in America as replicas.

**WATCH 'CARS AT CARLISLE,' OUR TV SPECIAL**

Our new television special, "Cars At Carlisle," aired on Speed Channel beginning in the spring of 2005. The hour-long special features unique footage from our 2004 show season to give viewers a taste of the Carlisle Events' experience. It's a dynamic atmosphere with a lively mix of displays, contests, test drives, auctions and celebrity appearances. Whether it's a show devoted to Chryslers, Corvettes, Fords, GMs, trucks or motorcycles, every event at Carlisle gives participants the chance to share their burning passions with like-minded enthusiasts. Visit our Web site, [www.carsatcarlisle.com](http://www.carsatcarlisle.com), for more information on the television special.

See this Ferrari 328 GTB with the invitational display at the event.

Devoted to imports, kits and replicars, this show field sparkles with more than 1,000 imported and one-of-a-kind cars. Shop in the car corral, the huge swap meet or with top kit car manufacturers. Be entertained by interactive activities, and find out on Sunday if you are the lucky ticket holder who wins a car! Join our club cook-off and find out which auto club makes the best food on the grounds! Sample the wines of Central Pennsylvania in a new wine-tasting area, and enjoy live jazz music. Test your car knowledge with our trivia challenge. Take a scenic cruise through picturesque Cumberland County, or find out how powerful your engine is on the Dyno-Go testing ramp.

## IS YOUR CLUB UP FOR THE CHALLENGE?

Take home a trophy! This event is the perfect place to get together for a club gathering. Trophies are awarded to the three clubs with the highest participation. And, if club members pre-register at least 25 cars before April 21, your club can receive free rental of a club tent. Club officials may call or go online for a tent reservation form. Sign up your club today. This year, the NSU and East Coast Speedster clubs are holding their national meets during the event.

The Saabs at Carlisle club had the highest club participation in 2004.

## TAKE A DRIVE ON OUR ROAD COURSE

Learn about your car's potential and your ability to manage it. The Susquehanna Region of the SCCA and its chapter club, The Appalachian Sports Car Club, will conduct a drivers' school Saturday and a time trial Sunday on the Carlisle Fairgrounds' quarter-mile six-turn mini road course.

If you have never put a wheel on a track before, the school will help you learn more about your car's potential and your ability to manage it. If you do have some track experience, the school will give you the opportunity to learn more and improve your performance.

After instruction, take your car onto the course with an instructor on board who will help you apply what you have learned. You will have the opportunity to run about 30 laps on the course over a number of sessions.

Participants must be at least 18 years old with a valid driver's license and insurance. Helmets are required. Register at the event.

See 19,000 square feet of kit, replicar and specialty car displays and talk directly to the manufacturers.

## NEW! STANDARD OF EXCELLENCE JUDGING

All years, makes and models of imports and replicars are invited to enter the new Standard of Excellence judged competition. Enter one of three classes: Import - Restored; Import - Original/Unrestored; or Kit/Replicar/Specialty Cars. All cars will be judged on quality in engine and undercarriage; paint, chrome and exterior; and interior and trim. Judges are highly knowledgeable automotive professionals. Cars compete on a point system, not against each other. Trophies will be awarded for the top points per class. The competition is limited to 30 cars. Register online.

## FREE SEMINARS

A number of free seminars are offered covering topics such as history of the NSU rotary engine; tuning dual carbs on a four-cylinder engine; power tuning; restoring British cars; tour of the MGB; and removal and rebuilding of Fiero door hinges. Additional seminars will be added to the schedule. See event magazine upon arrival for times and locations.

EXHIBITS AND GUESTS SUBJECT TO CHANGE.

Did you know...

...Molly Pitcher, Revolutionary War icon, was born and is buried in Carlisle?

## NEW! WALKING TOURS OF CARLISLE

During your visit to Carlisle, take a guided 90-minute walking tour of the historic downtown. Sign up during the show at the Cumberland County Visitors' booth under the Grandstand Friday and Saturday. The tours accommodate 20 individuals and cost \$7.50 per person.

## PLAN NOW TO ATTEND

The Carlisle Import-Kit/Replicar Nationals will be a weekend of great cars, people, and fun at the Carlisle PA Fairgrounds May 20-22, 2005.
